

Measures to reduce the spread of Covid-19

	<p>People are denied access to the building unless previously authorised by this institution according to applicable regulations.</p> <p>Access is denied to the following: people displaying symptoms such as high temperature (more than 37.5 °C), cough, or common cold; people subject to quarantine/isolation measures; people having been tested positive to coronavirus or having been in close contact with a positive case in the last two weeks.</p>
---	--

	<p style="text-align: center;">In case a person is living one of the situations listed below:</p> <ul style="list-style-type: none"> • having symptoms such as high temperature (more than 37.5 °C), or other symptoms such as cough, breathing difficulties; • having had face-to-face contact in indoor spaces with infected people, or with people suspected of being infected <p style="text-align: center;">ACCESS TO THE BUILDING IS DENIED</p> <p>IN THIS CASE STAY AT HOME, CONTACT YOUR PHYSICIAN OR CALL THE NATIONAL INFORMATION NUMBER 1500, GIVE THE OPERATOR ANY USEFUL INFORMATION AND FOLLOW INSTRUCTIONS THOROUGHLY.</p>
--	--

WORKERS WILL IMMEDIATELY INFORM THEIR EMPLOYER (ALTERNATIVELY A REPRESENTATIVE OR THE HR DEPARTMENT) ABOUT ANY FLU-LIKE SYMPTOMS THEY HAVE HAD AFTER ENTERING THE BUILDING, AIMING TO MAINTAIN A SUITABLE DISTANCE FROM OTHER PEOPLE AROUND AND WEARING SURGICAL MASKS FOR PREVENTION MEASURES.

TO CONTAIN THE SPREAD OF THE VIRUS WE ASK YOU TO FOLLOW THESE INSTRUCTIONS WITH GREAT CARE:

	<p>WHEN ENTERING THE BUILDING USE A HAND SANITISER.</p> <p>Inside the building, visitors, suppliers and personnel of external companies should wear surgical masks according to the instructions as well as single-use gloves.</p>		<p>Personnel is asked to wear surgical masks in common areas (aisles, canteen, vending machines areas) as well as keep at least 1 metre (2 metres, preferably) from one another.</p>
	<p>Personnel is asked to wash hands with soap and water according to the recommendations in attachment 3.</p>		<p>One person at a time is allowed to use the lift. A second person is allowed to enter the lift only if needed. In this case, both of them shall wear surgical masks.</p>
	<p>Avoid touching your mouth and eyes with unwashed hands. Avoid handshakes, hugs and sharing bottles and glasses.</p>		<p>Visitors, suppliers and personnel of external companies working in the building will use the toilet in front of the Infirmary only, which is nearest the teachers room</p>
	<p>Avoid close contact with people with flu-like symptoms such as cough and cold. If possible, keep at least 1 metre (2 metres, preferably) away from other people. Organise video conferencing when possible, instead of on-site meetings. If you cannot make video conferencing, keep the minimum distance according to regulations, keep windows open to let fresh air in and wear surgical masks.</p>		<p>Throw tissues, hand towels, gloves and surgical masks into the specially closed bins with a twofold liner you find in the building.</p> <p>This material can be disposed as landfill. The bags should be properly closed wearing single-use gloves, according to the Istituto Superiore di Sanità (the Italian National Institute of Health) regulations 3/2020 report.</p>
